ATTORNEY-DETAINEE MATERIALS
TRANSCRIPTION #26 - LETTER FROM MR. AL-MARRI DATED APRIL 30, 2005

In The Name of Allah
Most Merciful Most Gracious

Sat 21-03-26

Dear Mark, Andy & Larry,

Peace be upon those who follow the guidance.

This letter just in case you do not show up on May 4. I have went back in noncompliance again on Friday 29th in 10:00 p.m. for they have not answered my requests or provide my with my needs, even though I have been in compliance for the last 45 days. I think that is a reasonable period of time as Jenkins said.

Also, please I would like to draw your attention to a very important point. That is we have to fights on our hands, one is our legal issue in courts, the second is my confinement (*confinement*) condition. To me the second fight is more important for if we loose (*lose*), then we loose (*lose*) the court or legal fight b/c I will be coerced on making a deal w/them b/c I could not take it anymore. So, I gave in. However, if we fight the confinement (*confinement*) fight and I see some result then I will not give in to them, then at least we have a chance to win in the legal or court fight.

I have read the Geneva Convention, they are breaking almost every article of it - excep (*except*) giving me six pieces of mail. We need to make some noises - as Mark said on his second visit - if you see fit, I need one of you four be freed to fight my confinement (*confinement*) fight b/c people I am tired. My body is tired & I don't how long I can take it anymore.

To me the Second fight is more important for if we loose, then we loose the the Court or legal fight b/c I will be coerced on making a deal w/ them b/c I ~~can not~~ could not take it anymore. So, I gave in. However, if we fight the Confinement fight and I see some result then I will not give in to them, then at least we have a chance to win in the legal or Court fight.

I have read the Geneva Convention, they are breaking almost every article of it - except giving ^{me} six ~~pieces~~ pieces of meat. We need to make some noises - as Mark said on his second visit - if you see fit, I need one of you four be freed to ~~beat~~ fight my Confinement fight b/c people I am tired my body is tired & I don't know how long I can take it anymore.
